

Newer players are catching up with the IIMs

LIST National HRD Network and Shine.com have released the sixth edition of their annual B-School ranking for the year 2018 - 19 while taking cognizance of newer players

HT Correspondent
shinewhohindustantimes.com

As MBA schools in the country wrap up another calendar year, commencing their next round of admissions, National HRD Network and Shine.com have released the 6th edition of their annual B-School Ranking for the year 2018 - 19. In the year 2012, NHRDN launched the country's first only B-School Ranking which was entirely based on data, authenticated and validated, as their commitment towards enhancing the standards of professional education and contributing towards the people development goal in the country.

All the stakeholders (Industry and Academia) increasingly look forward to it being the most authenticated ranking in the country.

Some of the key attributes that make Shine.com & NHRDN's B-School ranking the most trustworthy and consistent list, year after year, are:

COMPLETED DATA VALIDATION

The NHRDN & Shine.com B-School ranking is the only one in the country wherein 100% of the participating B-Schools are visited in person by the research team, which includes one or more senior professionals from the Industry. This data validation process helps curb data dressing and allows NHRDN to understand the softer aspects of Leadership and Governance in the B-Schools.

RECOGNIZING EMERGING B-SCHOOLS

The B-School ranking also focuses on the 'Emerging B-Schools' category in which new business schools (from which 5 batches are yet to pass) that are performing well are recognized. The list also highlights the best

THE LIST THIS YEAR INCLUDES FIVE NAMES (IN NO SPECIFIC ORDER) AND INCLUDES BOTH PRIVATE B-SCHOOLS AS WELL AS THIRD GENERATION IIMS

■ IIM Bangalore is the top-ranked B-school in south India

MNT/FILE

practices that make these schools stand out.

EXPERT RESEARCH PARTNER

This year, NHRDN and Shine.com along with research partner, Cinque covered Top 50 B-Schools of the country.

All participating B-schools were visited by the Research Team for the data validation process.

GUIDANCE OF INDUSTRY DOYENS

Industry leaders are involved at every stage of the selection process. This year, the NHRDN and Shine.com B-School Ranking will be carried out under the leadership of Mr. P. Dwarakanath (Chairperson, Ranking Advisory Committee), distinguished members of Ranking Advisory Committee, along with ranking research partner, Cinque Education Pvt Ltd.

The research team also consists of senior professionals from companies such as Maruti Suzuki India Ltd, Oracle, Samsung, Fortis HealthCare, FIS Global,

PepsiCo, Tata Motors, Hero MotoCorp, HCL Technologies, Uda Martin, Accenture, Taj Group, Aviva, Mahindra & Mahindra, Tata Steel, Cheil, ABD India and others.

They shared valuable insights on the various softer aspects in the B-Schools, which helped the team analyse the data in a holistic manner.

Further, some interesting aspects and findings of this year's B-School Ranking conducted by NHRDN & Shine.com included:

■ The incorporation of "Emerging Category" to recognize newer B-Schools that are excelling in the industry. The rationale for creating this list has been to encourage young B-Schools and also share the good work they have been doing to larger audience. The list this year includes five names (in no specific order) and includes both private B-Schools (coincidentally, all being sister campuses of established institutes) and IIMs (Gen-3 IIMs).

■ The research found that MDI Murshidabad is focusing on leveraging the Corporate Connect of its parent campus, and is committed to excellence in

Experiential Learning including recently established Bloomberg terminals. ■ Further, the Great Lakes Institute of Management, Gurgaon in a very short span of time has already made its mark in Analytics and Finance space, and boasts of some of India's top faculty in that discipline. ■ NMIMS, Hyderabad is focused towards heightening employability of its students and enhancing corporate connect. AMBA accreditation to NMIMS Hyderabad is also a testimony to its quality consciousness.

TOP 11 PRIVATE B-SCHOOLS IN INDIA

- 1 XLRI - Xavier School of Management, Jamshedpur
